EMERGENCY MANAGEMENT

2024 SHUTDOWN POST MORTEM | *What went well and what have we learnt*

#	
1	CCC keep employees motivated and uplifts morale.
2	Statistical capturing and available on teams.
3	Good collaboration between teams in EM.
4	EM support throughout functions due to vacancies.
5	Good road closure management by EM and traffic. Continuous monitoring.
6	Standby for operational duties were shared by all other EM functions.
7	Coordination between veldfires, on-site emergencies and shutdown activities was well managed.

EMERGENCY MANAGEMENT

2024 SHUTDOWN POST MORTEM | *Concerns identified*

What could have gone better	What will we do different / how will we improve	Responsible Person
Availability of resources to deal with all requests. (Even though EM met all requests there may have been some delay in some EM functions.)	Appointments in vacancies to be completed ASAP.	Andre Labuschagne
RCP list to be reviewed in preparation for the next planned shutdown to ensure sufficient loan/life safety equipment.	Update the RCP	Andre Labuschagne
